

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

CONSTITUTION.

1. NAME.

The name of this organization shall be "THE DISTRICT OF COLUMBIA LIBRARY ASSOCIATION."

2. OBJECT.

Its object shall be to promote intercourse among librarians and all interested in library work in Washington city and vicinity, and to further library interests in general.

3. MEMBERS.

Any person interested in library work and nominated by a member, may be elected a member of the Association by the Executive Committee.

4. OFFICERS.

The officers shall be a President, two Vice-Presidents, a Secretary, and a Treasurer: these officers, with three other members, shall constitute an Executive Committee. They shall be elected annually by ballot and shall serve until their successors are chosen. The Executive Committee shall have power to arrange programs, to appoint such special committees as may be needed, and to act for the Association in all matters not reserved in these articles.

5. MEETINGS.

Regular meetings of the Association shall be held monthly, except during the summer vacation, at such time and place as the Executive Committee may determine. The annual meeting for the election of officers shall be held in December.

6. DUES.

The dues shall be one dollar per year, payable on admission, and thereafter at the time of each annual meeting. Non-payment of annual dues on the part of a member for two years, after due notice has been given by the Treasurer, shall be considered as equivalent to a resignation.

7. AMENDMENTS.

These articles may be amended by a two-thirds vote of the members present at any regular meeting next succeeding the regular meeting at which the proposed amendment was read.

The Constitution was adopted June 15, 1894. Article 6 was amended December 23, 1895 ; article 4, March 9, 1898 ; article 1, March 13, 1901.

The original wording of these articles was as follows :

ARTICLE 1. The name of this organization shall be "THE LIBRARY ASSOCIATION OF WASHINGTON CITY."

ARTICLE 4. The officers shall be a President, two Vice-Presidents, and a Secretary, who shall also act as Treasurer [etc.]

ARTICLE 6. The dues shall be one dollar per year, payable on admission, and thereafter at the time of each annual meeting.
